

Book Seminar Thursday, February 10th 5:00 p.m. Marbella Clubhouse

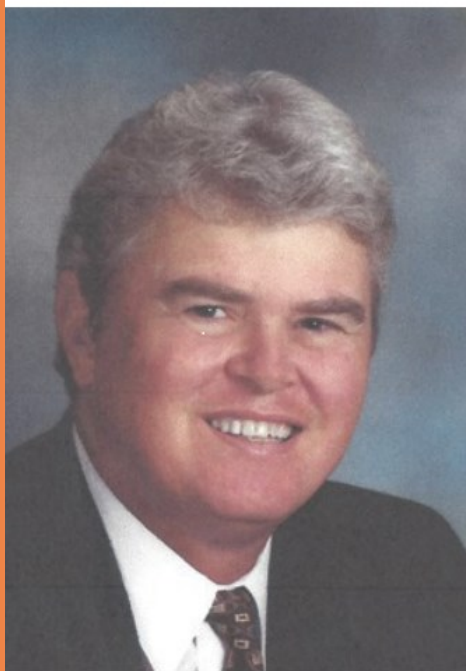

Please join us at the clubhouse as we welcome Naples resident and author - retired federal judge - Steve McGuire!

Steve McGuire a retired federal judge, who wrote, "Prior Restraint," a political thriller. Steve would like an opportunity to speak about his book with the residents at Marbella Lakes!

"Prior Restraint"--America's most famous news anchor is brutally murdered by terrorists, and the entire media establishment is paralyzed by the fear of who may be next. Seemingly overnight, a pernicious wave of self-censorship grips the airwaves, and no one dares to further criticize religious fanaticism. A corrupt Senator, intoxicated by ambition and greed, exploits the ensuing chaos, while a tenacious, young reporter risks her career and her life to uncover the truth. "Prior Restraint" is a chilling story about fear, greed and power that blurs the borders between reality and illusion, with a plot line even more terrifying in its disturbing proximity to our everyday reality.

Please RSVP no later than 2/7 for this complimentary event at
